Brief Statement of Interest

I am interested in the upkeep and upgrading of our community, streets, parks, schools, libraries and other public spaces. I have an interest in the area as a home owner and want to do what I can to move the neighborhood and city towards a bright future.

Background Information

I've lived in the area for over 7 years. I enjoy the street art events and vendor fairs we have had. I enjoy outdoor activities and sporting events. I was very happy to see recent Wick Field renovations, and would like to see that expanded throughout the rest of the neighborhood.

Experience

I have spent 15+ years working in management in the logistics industry. I have a high interest in politics and want to be more active in my neighborhood.

Volunteer and Community Involvement

Yes (and no). My time has not been spent in a formal way.
