

# Steve Roeder

## Area 9 Resident

### **Brief Statement of Interest**

Having participated on the WHNA Neighborhood Board now for three years and a neighbor in the Heights since 1996, I understand and I am excited to continue to grow our neighborhood through events, word of mouth and basic friendship.

### **Background Information**

I am an avid cyclist and enjoy traveling and hiking with my wife and kids. I have lived in Washington Heights for 27 years. The Boulevard Bash is my favorite event in the Heights (and I am its current Event Director). I paint in oils and take lots of photos. I also am a huge fan of films (especially documentaries).

### **Experience**

I produce and art direct TV commercials and film, so I am very adept to changing course if need be as well as making sure things get done on time and on budget.

### **Volunteer and Community Involvement**

Yes, I have been on a handful of boards throughout my career and have been on the WHNA Board now for three years.
